Dosage

The recommended dosage is 0.5 - 2.0 % of the total weight of the formulation depending upon the binder type. The exact dosage should be experimentally determined. Borchi[®] Gol 8701 is easy to use and can be added at any stage of the formulation; however, we recommend adding it near the end of the formula.

Storage

Protect from the effects of weathering and light. Store at temperatures between 5 and 30°C. Once opened, containers should be resealed immediately after each removal of the product.
